Overview

On this trip you will experience the Land of the Thousand Lakes. The seemingly endless lakes in Finland's lake district are punctuated by several communities that come to magical life in the summer, from Imatra and Lappeenranta in the south to the town of Savonlinna with its medieval island castle. The Karelia region gives you a taste of the distinctive culture, flavored by the historical influence of the Orthodox faith and the hospitable character of the Karelian people.
